Hey! It's management time with a twist of quality  
Nepal

## Summary

With an aim to pursue a purposefully driven career to be a creative individual and continually update my knowledge, skills and abilities in many areas.

I have had relevant volunteering experiences in certain environments especially in community services, giving me varied skills and the ability to work in different types of situations. I have ability to look at challenges as opportunities. I believe I could fit easily into the respective departments if provided with the opportunity.

I am very enthusiastic and would welcome the opportunity to attend any program.

Thank you for taking time to view my summary.
